FROM THE CHAIRMAN'S DESK

Every moment in Life is fresh begining that brings with it boundless joy of new possibilities and that pleasure is compounded when you know you are about to realise the Lofty goal. Since the time we began in 2002, we have constantly strived for excellence.

Message

Children are the most precious asset of our country. At L.D.C. Jain Public School we try make this foundation strong and work in that direction with sincerity and dedication. It was my keen desire to open a school which provides wonderful ambience in which students can discover their talent. Our motive is not to make money but to provide every child a concrete and enable him emerge with excellence.

Great stress is laid on the basis cocepts of repective subjects such as tenses in English, Tables in Maths , Grammar in Hindi and practicals in Science etc. Our School has maintained complete discipline. A Complete discipline expresses moral of a child. It is training of mind or manner. To fulfil my dream, co-operation of parents is needed. As for the rest, there will always be changes for the better.

Wishing you the best.

Chairman

परिवर्तन प्रकृति का नियम है। जीवन में हर क्षण एक नई शुरुआत है जो कि असिमित नई आशाओं से अवगत करवाता है उसमें अन्नत आनंद शामिल हो जाता है जब हम यह महसूस करते हैं कि हम एक गर्वपूर्ण उद्देश्य की ओर बढ़ रहे हैं।

प्रगतिशील ओर आधुनिक बनने के दौर में हम अपने स्वास्थ्य से खिलवाड़ कर रहे हैं। खेल का महत्व जैसे हम भूलते जा रहे हैं। आज के बच्चे मोबाइल, लैपटॉप और वीडियो गेम्स से ही खेलते हैं। परंतु खेल का महत्व बच्चों की बढ़ती ग्रोथ के साथ जानना आवश्यक है। खेल जितना स्वास्थ्य के लिए महत्वपूर्ण है, उतना ही खेल का महत्व पढ़ाई में भी है। जीवन में भी है। जीवन में खेलकूद का भी उतना ही महत्व है, जितना कि पढ़ाई-लिखाई का, खेलकूद न केवल छात्रों का मनोरंजन करते हैं अपितु उनके स्वास्थ्य को भी उत्तम बनाते हैं। यदि बच्चे प्रसन्न और स्वस्थ रहेंगे तो पढ़ाई लिखाई की ओर भी ध्यान देंगे।

खेल के अंतर्गत शरीर बहुत अधिक परिश्रम करता है, परिणामस्वरूप अर्धक मात्रा में ऑक्सीजन शरीर के अंदर जाती है। यही ऑक्सीजन हमारे रक्त को शुद्ध करती है तथा भोजन को पचाने में सहायता करती है। जिसने खेलों को महत्व दिया है वह सदैव प्रसन्न, स्वस्थ तथा मजबूत रहता है, उसमें आत्मविश्वास रहता है, नेतृत्व की क्षमता उत्पन्न होती है, इच्छाशक्ति सदैव बलवती रहती है, संगठन की शक्ति का अहसास हाता है। अतः खेल स्वास्थ्य का पर्याय है।

स्कूलों में हम वार्षिक खेल कार्यक्रम आयोजित करते हैं और दैनिक अधार पर, हमारे पास खेल-कूद के लिए एक विशिष्ट अवधि होती इस अवधि में शिक्षक उन्हें फुटबॉल, कबड्डी और खोखो जैसे विभिन्न खेल खेलने के तरीके सिखाते हैं। ये खेल विद्यार्थियों को नई चीजें सिखाते हैं उनका जुड़ाव हातो हैं। इसके अलावा, खेल उनमें आत्मविश्वास और साहस विकसित करने में मदद करते हैं।, वे सक्रिय और तेज हो जाते सफलता उनमें प्रेरणा और उत्सुकता भर देती है।

L.D.C. Jain Public School offers students and overall educational experience designed to open their hearts and mind by preparing them to become the world class citizen. The experienced well educated staff from the kiln in which the building blocks of tomorrow's society are being molded into the right combination of head and heart ready to take over the competitive world of the 21st century. Emphasis is given to all round development of the child and not just academic excellence. The child's psychology is given the foremost importance and everything else is nurtured around it. Individual psychological behavior and needs are closely monitored and moral support is provided wherever necessary. Teaching is made interesting, as we believe that the children are not dumping grounds of knowledge. Especially in the junior wing much stress is laid on a child's creativity and education through activities. So L.D.C. Jain public School is simply a best place to study and to promote overall development of our children.

FROM THE PRINCIPAL

Welcome to Lala Deep Chand Jain Public School !

I am really honoured and feel very privileged to function as the Principal of Lala Deep hand Jain Public School. Let me take this opportunity to thank the Management, giving me the opportunity to serve the community .

We, at LDCJPS , ensure high quality education which motivates and empowers our students to be lifelong learners and the productive members of the society. Our education system is the one that cater the individual needs of our students

Success for all students is ensured at our school by the delivery of an enriching, child centred, balanced and structured curriculum and a whole school focus on student welfare that focuses on the positive recognition of student achievements.

initiates the activities that actively promote safe and healthy lifestyle

Teachers at LDCJPS are highly qualified and experienced educators who are committed to supporting each student's learning experience through quality instruction and guidance that addresses the needs of the individual child. Teachers work to provide students with differentiated support that address each student's specific needs both academically and socially.

I, personally believe that an education system that develops the imagination of the child is richer than the one that does not. The imagination is where new ideas are created and progress becomes possible. "Imagination is more important than knowledge" because knowledge is about what we already know, whereas imagination is what moves individuals and cultures forward. Imagination leads to innovation. LDCJPS will surely give much importance to imaginative and play way methods, especially in Kindergarten.

LDCJPS do give high priority for our Student's safety. School also initiates the activities that actively promote safe and healthy lifestyle and contribute effectively to sustainability and conservation of our environment.

We firmly believe that the parents are their child's first and most important teacher. Parents play a vital role in the education of their children. We happily welcome all our parents to take an active role in the education of their children and to be the active participants in our school life. Get to know the staff, especially the child's teachers and assist where you can so we can work together in the interests of everyone.

I would like the parents to know that my door is always open to discuss any concerns, questions, or ideas you may have regarding your child's education. I welcome you all to an outstanding learning community where everyone is dedicated to a high standard of excellence.

We are very sure that with the help of all the stakeholders and with their continuous support, we will be able to take our school to the next highest level of excellence. At our end, we shall continue working with you for the best interests of our beloved students and our community at large.

My commitment to our community is to lead the school with enthusiasm and passion to enable us to reach our goals. Let us work together to make LDCJPS as the best school, it can be. We look forward to welcoming you to be part of our vibrant learning community.

With Regards

Teacher with difference

LDCJPS positions the teachers at the pinnacle of the learning process-but with a difference. the Teacher is no longer the provider of all knowledge. he or she is a 'facilitator', who uses the new technology to motivate the student to explore for themselves the world of knowledge. Motivated and inspired by the opportunity of learning to innovate, an innovating to learn, The teacher at LDCJPS continuously renews and updates subject knowledge and pedagogy.

The teacher is leader and motivator, role model and mentor. Learner and innovator by example. comfortable with convergence technologies, as tools for learning and evaluation. The teachers. extensively use multi-media and audio visual classroom aids.

Mentor and Role Model

The teachers at LDCJPS, in varying capacities of subject teacher, house tutor, house mentor or activity guide or a fellow sport person, develops with the limited number of students under his\her charge a close report & relationship that comforts the students to learn and grow in an atmosphere of affection, warmth, trust, togetherness and openness. Positive and enabling environment enables the students to delve in to the treasure of talent and merit within.

EXAMINATIONS SYSTEM

Following the decision to restore Board examination for X, CBSE has now decide to implement uniform assessment, examination and report card scheme. the aim of introducing the new CBSE sheme is to bring uniformity in the examination pattern among all the school affiliated to CBSE.

The Assessment basis with gradual increase in the learning assessment as the students move forward. This would prepare the students to cover the whole syllabus of the academic year and face the challenge of class X Board examination. Uniform assessment is a two semester scheme at the end of which half-yearly and yearly examination will be held. Both the term 1st and 2nd will be of 100 marks, which will include 20 marks for the periodic assessment, including the note book keeping periodic test and subject enrichment activity while the remaining 80 marks will be the performance in half-yearly and yearly marks exam. the passing marks under the system will be 33.

Class	M.S.T	MAY EXAM	SEP. EXAM	DEC. EXAM	FINAL EXAM
P. Nur to K.G	—	—	✓	✓	✓
Ist to VIII	✓	✓	✓	✓	✓
IX to XII	✓	✓	✓	✓	✓

The overall assessment pattern for CBSE class 9th can be summed up as below:-

(i) Annual examination for whole syllabus of the year:- 80 marks. (ii) Internal assessment:- 20 marks

Periodic written tests :- 10 marks

Notebook submission :- 5 marks

Subject enrichment activity : - 5 marks

Regular classroom tests and periodic examinations at the school level are indicative of scholastic achievement. The result enable the teachers as well as students to take corrective steps. Apart from regular monthly tests, two major examinations are conducted namely the half yearly and the Final examinations. Promotion to the next class will be decided on the child through out the year.

1. School is following the CCE System for examination introduced by CBSE New Delhi directed by the Hon,ble HRD Minister Sh. Kapil Sibal.

WHAT IS CCE SYSTEM? The CCE (Continous and Comprehensive Evaluation) refers to a system of School - based evaluation of students that covers all aspects of students of students development. In the scheme the term "Continuous" is meant to emphasize the evaluation of identified aspects of students growth and development It is a continuos process rather than an even built into the teaching -leatning process and spread over the entire span of academic session. It means regularity of assessment, frequency of unit testing, diagnosis of learning gaps, use of corrective measure, retesting and feedbook of evidence of teachers and students of their self evaluation. The second term 'Comprehensive' means that the scheme attempts to cover both the scholastic and Co-Scholastic aspects of of students growth and development. The aims at assessing a learner are:

- a) Knowledge b) Understanding c)Applying d)Analyzing e)Evaluating f)Creating

The scheme is thus a curricular initiative, attempting to shift emphasis from testing to holistic learning.

2. For XI and XII All the streams like Medical, Non Medical, Art and Commerce are running in a well planned manner under guidance of Master of Subjects. Well equipped Science. Laboratories and computer labs to give the students Practical Knowledge.
3. Regular evaluation by taking monthly test and Co-Scholastic activities.

HOUSE SYSTEM

To install in children a sense of belonging team spirit, Co-operation and healthy competition the school is divided in to four houses. The house Master/Mistresses and the Captains meet regularly to discuss. organize and put into action inter-house events. the daily maintenance of discipline and cleanliness in the hands of house on duty.
